District 8 Guide to Elections and Service

*Updated October 7, 2018 and accepted 10/07/18

District Guidelines:

The following notes were originally taken from the Service Manual (2007-2008) and the experience of trusted servants. They were affirmed by our district January 6, 2018.

The District Guidelines should be reviewed annually.

District Committee:

A District Committee is composed of all the Group GSRs and committee chairs. Other AA members may also participate in the District Committee.

District meetings:

The district meeting shall be held 4 times a year at the Sunrise Serenity Club.

Voting:

Voting members are GSRs. In the case of tie vote, the DCM may vote.

Elections:

Elections are held at the June District meeting with service beginning at the July District meeting.

Elections are held using the Third Legacy procedure as outlined in the Service Manual.

The District elects DCM and alternate, Secretary and alternate, and Treasurer and alternate.

Committee chairs are elected by the committee members and affirmed by the District during elections. However, the District may elect the committee chair if there is no membership in a committee to do so.

The Election Schedule:

The AA Service Manual suggests that elections should take place after the group elections and before the Area election. We will be electing our new Area officers at the September assembly, so District elections should be held at the June District meeting (to coincide with the establishment of our district); and group elections might be held at the last group conscience meeting before the District election. Like this:

Group elections (May) → District elections (June) → Area election (September)

This allows the out-going servant to share the process with the incoming servant.

The District offers some experience on the upcoming election and rotation season, bearing in mind that Group autonomy exists and group can hold its elections as it thinks best. The new District rotation does not actually begin until July 1.

District 8 Service Positions Qualifications and Responsibilities:

Qualifications are the same for the Chairperson and the Alternate. The District may alter qualifications for a specific position per vote at the District meeting

The Alternate is listed with the trusted servant position; the Alternate will replace the trusted servant should the trusted servant not be able to fulfill the obligation either temporarily or permanently. The responsibilities are to be split between the chair and the alternate as they see fit.

The Alternate position is not a stepping-stone to the Trusted Servant position. Should a Trusted Servant vacancy occur during the servant's time in office, the Alternate would replace the servant only to the end of the elected term. A new alternate will need to be elected to fill the vacated position.

Accessibility Chairperson and Alternate

Qualification

Two or more year's continuous sobriety.

Responsibilities

Assure that individuals with accessibility needs are provided meetings or materials.

Provide accessibility information for each district group/meeting to the secretary for the W&W and the website committee.
